## LinguaFolio Presentation

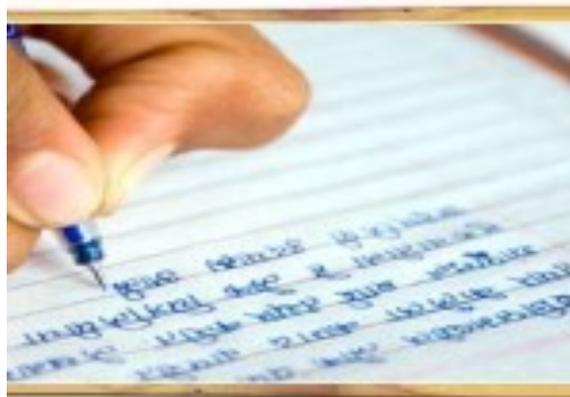

On **Tuesday, July 10th**, join one of our Hindi Faculty Assistants, Brajesh Samarth, as he takes you through the process of developing your own LinguaFolio.

A LinguaFolio is a useful document for those who are learning or have learned a language. It is a tool that can accompany your language learning throughout your life and is suitable for documenting your language abilities for various uses.

How the LinguaFolio can be useful:

1. Evaluate and describe your language proficiency in clear and simple terms
2. Document and reflect on your language learning inside and outside school and on intercultural experiences
3. Inform others about your proficiency in different languages such as changing schools, starting a new language course, participating in an exchange program, or applying for a job
4. Allows you to set personal language learning objectives and map out ways to achieve them

This event is open to all instructors and students. You must RSVP for this event, and you may do so in the SASLI office. It will take place in **206 Ingraham Hall at 1:30PM**

## Ice Cream Social

On **Thursday, July 12th**, Professor Joe Elder will be hosting an ice cream social with his DELICIOUS Babcock Ice Cream.

All products from Babcock are produced by our very own dairy plant on campus.

This event is open to all instructors and the **Intermediate Hindi and Bengali students**. The social will take place at **1:30PM in 336 Ingraham Hall**.

Please note: the gelatin in the ice cream is pork derived, however the sherbet flavors use a plant based stabilizer in place of the gelatin.
