Student Networking Event

On **Tuesday, July 9th**, SASLI will be hosting a student networking event.

SASLI brings together students with a wide range of academic and professional interests. We would like to take advantage of the wide variety of background by dividing students into groups based on the specific areas you wrote about in the survey. The event will take place in **206 Ingraham Hall from 1:30-3:00pm**. The event will give students the opportunity to connect outside the classroom with others who share their academic interests. Students can benefit by gaining new insights, perspectives, and ideas about their future.

If you haven't had a chance to fill out the survey, there is still time. Fill out the survey today and we will do our best to accommodate everyone's needs.

Ice Cream Social

On **Thursday, July 11th**, Professor Joe Elder will be hosting an ice cream social with the DELICIOUS Babcock Ice Cream.

All products from Babcock are produced by our very own dairy plant on campus.

This event is open to all instructors and the **Elementary Hindi, Bengali, and Tibetan students**. The social will take place at **1:30PM in 336 Ingraham Hall**.

Please note: the gelatin in the ice cream is pork derived, however the sherbet flavors use a plant based stabilizer in place of the gelatin.
