Please explain in what capacity you know the applicant and are able to assess their academic/language achievement or potential.

SASLI is an intensive course, offering eight credits, or one full year's worth, of language study over the course of an 8-week summer program. Classes meet for four hours per day, five days per week, and students are expected to spend a significant portion of their out of class time on homework, review, and other language-related activities. Daily attendance and participation is expected. Given the intensive nature of the SASLI program, please describe the candidate's ability to succeed on this program.

Please address any anomalies or extenuating circumstances in the applicant's work or academic record, if applicable.

Please use this space for any further information that you would like the committee to know about the applicant and why they are an outstanding candidate for this funding opportunity.

I hereby certify that the above statements are true and correct to the best of my ability.

Please type your name in the space above.
